COFFEE PROCEDURE:

Set up and get coffee and juice ready. **Usually Marcel gets it ready, but please check.** Serve coffee/juice after Mass.

Clean up after - The Communion Ministers should be finished in the sacristy by the time you are finished serving, and there is dish detergent, etc. there for your use. Feel free to leave the containers on the drainboard and the staff will put them away on Monday morning.

We really do appreciate you washing them after Mass. Thank you!
