### The Way of the Cross

We will pray the Way of the Cross during the holy season of Lent on Friday evenings at 6:30 p.m. To make this prayer available to as many people as possible, we will celebrate it in different churches according to the following schedule:

March 8 <sup>th</sup>	Holy Family	March 29 <sup>th</sup>	Immaculate Heart of Mary	Good Friday,	Holy
March 15 <sup>th</sup>	St. Augustine's	April 5 <sup>th</sup>	St. Augustine's	April 19 <sup>th</sup>	Family
March 22 <sup>nd</sup>	St. Bernard's	April 12 <sup>th</sup>	St. Bernard's		

**Lent** is a good time to begin to practise the discipline of sitting with God, of choosing to be in His presence and just *being* with Him, sitting still and silent and recognizing that He is there.

A **Christian Meditation Group** practises this daily discipline and meets as a group for support and discussion each Friday at 7:00 p.m. at Immaculate Heart of Mary Church in Riverview. Jesus said, "Where two or more are gathered in my name, there am I in their midst." Join us in this 'recovered' form of prayer of the early Christians and Desert Fathers. Sit still and silent, being present to the will of God. For more information and 'how-to', please call Dianne LeBlanc at 386-6094.

*Be still and know that I am God. Psalm 34*

# Exploring our Faith

## THE POWER OF WORDS

Two phrases, one from the first reading by Sirach and the second from the Gospel reading, resonated with me to reflect on today's readings. The first reading states, "So a person's speech discloses the cultivation of the mind." The gospel by Luke reveals, "for it is out of the abundance of the heart that the mouth speaks."

It made me recall being told as a child that it is not necessarily what goes into the body that causes sin, but what comes out -- notably what we say and how we say it. When one thinks about this, one realizes that most common 'sins' we commit are related to speech: gossip, idle chatter, lies, exaggeration, harsh attacks and uncharitable remarks. With our tongue we can spread hatred, incite fear and maliciousness, spread misinformation, cause temptation, discourage, teach error and ruin reputations. With a gift capable of bringing such good, we can surely cause great harm. Cher, in her song "If I Could Turn Back Time" stated, "Words are like weapons...they wound sometimes." Proverbs 15:4 says, "The tongue that brings healing is a tree of life, but a deceitful tongue crushes the Spirit."

We should, instead, try to use our tongues, our power of speech, to reflect "abundance of the heart". I was fortunate to have examples of the way we should speak to / treat others by the way my parents spoke to each other. I knew that each used; not a gushy demonstration, but towards each other in the daily grind of released from the Ottawa Civic Hospital staff all came in to say their goodbyes and because, even though he was very ill, he for anything they did for him. He used his truly reflected in his speech. I learned at

Henri Nouwen has said that, "When we talk to one another we often talk about what happened, what we are doing, or what we plan to do. Often we say 'What's up?' and encourage one another to share the details of our daily lives. But often we want to hear something else. We want to hear, "I've been thinking about you today" or "I missed you" or "I really love you". It is not always easy to say these words, but such words can deepen our bonds with one another. Words of love and affirmation are like bread. We need them each day, over and over. They keep us alive inside.

It is not always easy; when one becomes discouraged or on a 'bad' day or after being hurt by someone, to speak positively to those we encounter. Pope Francis said "Insults come as easily to us as breathing. But Jesus considers them as assault to the dignity of one of His children." If we take a few seconds to 'think' before we speak, and sometimes even keep silent when words could wound, while considering the impact they will have on the listener(s), then we can show the Christian spirit in our hearts.

Words are singularly the most powerful force available to humanity. Words have energy and power; they are beacons of inspiration, enthusiasm and encouragement to all. Kind and sweet words are always music to the ears of the listener. Every true word that is spoken has the power to bind human society more closely together and make the burden of life easier to bear.

Help me Lord. Keep your arm around my shoulder and your hand near my mouth. Put your word in my heart so then when I do speak, it is really you speaking.
