# Exploring our Faith

## AND JUSTICE FOR ALL?

Every time I hear this week's gospel I smile because it reminds me of someone in my life who is very dear to me. The passage reminds me of this person because when I hear it, the phrase that comes to mind is: "**the squeaky wheel gets the grease**". To say this person who I am referring to is persistent is like saying it can get a little chilly here in January (lol). But when we take a deeper look at this text it can lead us to a place of having to answer some difficult questions. With our federal election only a day away, this reading is very timely.

In our story today, we hear of a widow and an unjust judge. Abject poverty versus ultimate power you might say. In the time of Jesus, women were thought of as property and if that weren't bad enough, to be a widow moved you even further down the social scale. The fact that she even got an audience with the judge is a minor miracle, let alone several chances to plead her case. In the end, the judge gave in and she was granted justice.

Unfortunately, this does not always play out this way in our world today. We have many people among us who are outcast from mainstream society. The poor, the disabled, the homeless, the addict, the single mother, the widow. Often times, these people are barely tolerated, let alone accepted and integrated into our lives. There are no politicians coming to have photo-ops with them while they have lunch and discuss the issues that really matter. There is not much chance of them getting an audience with one of our elected officials so they can tell their story (plead their case) and hopefully better their situation. There is not much time in our leader's debates set aside for feeding the hungry and visiting the prisoner.

Having said that, we cannot let ourselves as church off the hook. Are we Ok with some of our collection money going to help the less fortunate among us? Often times, the same people again and again. How do we feel about our offerings being used as part of the reconciliation process with victims of abuse? Are we so inner-focused that most of our resources go toward maintenance and very little toward mission? These are questions that each person will have to answer for themselves and each faith community.

In our gospel this week, we are told that the judge "neither feared God nor had respect for any human being". I wonder if those two facts are linked? In spite of this, the judge eventually decided to do the right thing and grant the widow justice. I like to believe that we as church have a great love for God, and thus a great love for God's people. We have a need to share with those less fortunate. We do not have to be asked several times before we are moved to action to make things right. In the final question in today's gospel Jesus asks; "when the Son of Man comes, will he find faith on earth?" In our response, it will be our actions that will speak volumes over our words.

## ALL SAINTS - ALL SOULS

Each year, just as the harvest is finished in much of the world, Christians keep their own harvest, that is, God's harvest. On November 1<sup>st</sup>, we celebrate **All Saints' Day**, the harvest of the Saints. We are offered the tremendous opportunity to celebrate our communion with the saints in heaven and to honour their holy lives by our presence at Mass. As Christians, we also celebrate **All Souls' Day** when, in our parish grouping, we will remember those we loved who were buried from our churches in the past year.

This year, our **All Souls' celebration will be at Immaculate Heart of Mary Church on Monday, November 4<sup>th</sup> at 7:00 p.m.** and we encourage all to come and remember those who have gone before us. Also, throughout the month of November, a table will be set up in each Church to display the pictures of those buried from our churches this past year and candles will be lit for each at every Mass in November.

## Communal Celebration of the Anointing of the Sacrament of the Sick

It is important that those who are sick, and those around them, understand the significance of the Anointing of the Sick as a **sacrament of healing**. Who should celebrate this sacrament?

Those who are elderly and whose frailty is becoming more pronounced

- Those adults and children who are suffering from a major illness. Illness comes in many different forms; physical, mental, psychological, emotional, and spiritual
- Those who are facing or recovering from surgery or serious medical tests
- Those suffering from a serious accident
- Those who suffer from chronic illness such as arthritis or diabetes
- Those who care for the sick, especially those who are closely bound in love to them

The English churches of the Moncton Diocese work together to offer this communal celebration. Please join us on **Wednesday, October 30<sup>th</sup> at 7:00 p.m. for Mass and the Sacrament of the Anointing of the Sick to be held at Holy Family Church. Everyone is invited and encouraged to participate in this celebration.**

## October 2019 is Extraordinary Missionary Month!

Your gift on this day helps: People in remote villages, towns and cities, through the witness and work of missionaries and local priests; Children, the elderly, refugees, the sick, and orphans through the services of religious Sisters and Brothers; To bring the Gospel to the poorest of our human family; Catechists proclaim the message of hope and peace that only Christ can give. Please offer your prayers for the work of the Church in the missions today and be as generous as you can on World Mission Sunday.

**COATS FOR KIDS**

**Coats for Kids** is a joint project between the Knights of Columbus Council 9270 and our Social Action Committee, where we work together to buy new winter coats in bulk and then donate them to Moncton Headstart! These new coats are distributed to needy children throughout the greater Moncton area. The need is about 900 coats, with about 600 coats donated last year.

**This year, we'd like to help make up some of that shortage and we know that together, we can do it!**

Through the generosity of our parishioners, last year we were able to donate 96 coats and, given that each new coat costs \$28.15, that is a sizable donation! Even so, we want to do more! These little children need our help, they need to be warm and so, these are the ways that you can be part of the 'Coats for Kids' effort!

- Place your donation in the collection basket in an envelope marked '**COATS**'. To make sure you get your income tax receipt, be sure to include your name and/or envelope number.
- On Sunday, place your donation in the box in the IHMC lobby.
- Drop by the parish office.

★★★★★★★★★★ Money for coats raised to date is \$1896.55 ★★★★★★★★★★
