# Exploring Our Faith

## THAT THIRST

Have you ever been so caught up in your routine daily activities, or the busyness of life that you have forgotten to drink enough water, and suddenly you realize your throat is hot, crackling dry, and maybe slightly swollen and not only are you developing a headache, but start to feel surly? You feel like you have crossed a desert. Then you realize your body is telling you it needs hydration, so you obey and drink the water, and when you drink the water and it is the right temperature for you (I like mine joltingly cold with ice), you wonder why you did not think of this sooner? After that, your throat thanks you, the headache dissipates, as does the surliness that started troubling you.

Or perhaps you are a responsible adult and more conscientious about your water intake. Maybe you have had a similar experience during or after a vigorous workout, or mowing the lawn on a hot day, or during a meeting that has gone on too long. The feeling I have in mind is how *good* it feels to drink the water, especially when you may not have even realized how parched you were. Not only did drinking the water alleviate your thirst, but there are broader benefits of drinking the prescribed 6-8 glasses of water each day. I Googled it. You may have more energy, an improved memory, you may over-eat less, and you may be less susceptible to colds.

In the story of the Samaritan woman at the well, Jesus and the woman engage in what seems to be friendly banter about drawing water from the well, but they are talking about more than just quenching thirst on a hot day in the Middle East. This conversation speaks to me about my own human thirst for the “living water” of God. Just like my experience with the physical thirst, there have been times in my life when I have felt spiritually parched by my disconnection from God and was unaware of it until I noticed something “off” and began the work of reparation. Then comes the, “*Why did I not think of this before?*” I am telling you though, it comforts me to know that even at those times when I am busy attending to my ego, the living water still flows, diligently at work, waiting for me to drink of it gratefully and take advantage of what is gracefully offered.

### Lenten Penitential Service

# LEN

**Wednesday, April 1st at 6:30 p.m.  
at Immaculate Heart of Mary Church**

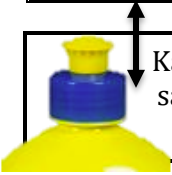

**St. Augustine’s 2020 Lenten Parish Mission, “The Power of the Cross”** with Fr. Mark Cherry to be held March 16<sup>th</sup>, 17<sup>th</sup> and 18<sup>th</sup> at 340 Dominion Street, Moncton. (Each session will be at 7:00 p.m.)

**St. Augustine’s Lenten Penitential Service will begin after the session on Tuesday, March 17<sup>th</sup>.**

Our **Social Action Committee** meeting will be held at the Dan Bohan Centre on **Friday, March 20<sup>th</sup>** at 10:00 a.m.

**Did you know?** "The RCIA Scrutinies are meant to uncover, then heal all that is weak, defective or sinful in the hearts of the Elect, to bring out, then strengthen all that is upright, strong and good." Like the Elect, our Lenten sacrifices allow us to empty ourselves so we can be filled, once again with the grace of the Pascal Mystery at Easter. We are not "born again" Christians just once: we are the People of God, preparing for renewal and re-renewal, again, and again and again.

Karen needs your 'pop up' dishwashing liquid tops for our upcoming **Vacation Bible School!** Please start to save yours and then bring them in. This is the kind where you pull up on the little top to allow the soap out.

Thank you! 😊

3. Sign the Solidarity Letter addressed to two embattled Brazilian communities at [devp.org/act](http://devp.org/act). For more information, please contact Al Daly at 386-2563.

### March 15<sup>th</sup> - The Mura: beset by buffaloes, plagued by potash

For several years now, the Mura people of Brazil's Amazonas state have sought to assert their claim to their ancestral lands. To their frustration however, it has been much easier for cattle herders and a potash mine to occupy and control those lands than it has been for them to have their rights respected. Development and Peace's partner, the Indigenous Missionary Council (CIMI), helps them advocate for, defend and publicize their cause more effectively. "On behalf of the Mura in my region, I want to thank Canadians. We are very happy to have your support. It helps us in our struggle to have our rights and our land respected." - Jeremias Oliveira, representative of the Mura community, Brazil  
Watch the Mura's testimony at [devp.org/campaign/mura](http://devp.org/campaign/mura).

**Tabs for Kids** has increased its count by another 43,984 to reach the grand total of **2,894,453 tabs!** While you're helping the environment, you wonderful people are also helping the Boys and Girls' Club Breakfast Program! (Ummmm, and the tabs collection container is full once again....Terry was there!....better get 'tab'ulating Jim! ☺)
