LEGACY GIVING

Gifts that last lifetimes...

Charity of choice: Let your loved ones know that your parish is your 'charity of choice'.

Bequest/In your will: Anyone can make a gift in their will to any area of the church's needs that you would like to support. Big or small, all gifts count.

Life insurance: Life insurance can be an effective way to help the church. Along with tax savings, the benefit of donating a life insurance policy includes the freedom to choose what type of policy and how much premium you pay. Your gift is considered separate from your other estate assets.

RRSPs, RRIFs, and TFSAs: A substantial future gift is created to support the ministry and mission of the church. Your estate receives a charitable donation receipt that will offset taxes, which will in turn replenish the value of your estate.

Stocks, mutual funds, and bonds: You can make a gift without depleting your bank account. You receive a charitable donation receipt for the value of the stocks, mutual funds, and bonds, that might offset potential taxes on the capital gain.

Speak to your loved ones, and legal or financial advisors to make your wishes known.
