Exploring Our Faith

CARE FOR OUR COMMON HOME

“When I expected it to yield grapes, why did it yield wild grapes?”

Today’s “Parable of the Landlord and the Tenant” describes a landlord who leases his healthy vineyard to tenants. The tenants abuse the vineyard and anyone whom the landlord sends to remind them of their responsibilities. It is easy to interpret the parable only as Jesus’ incrimination of the Pharisees or those who tried to extinguish his message. But as Sr. Mary McGlone of *Celebration* explains, “Parables aren’t puzzles to be understood, but calls to action crafted to make us uncomfortable enough to change *our* ways.” In this parable, therefore, the tenants aren’t meant to be some abstract “others” who lived long ago, but are meant to lead us to examine our own attitudes and behaviours toward our responsibilities of worldly stewardship.

This past year has given many examples of how this simple parable is still relevant today. When outcries of the “#MeToo” or “Black Lives Matter” movements are met with violent resistance, it shows me that the vineyard of our shared humanity still has a long way to go before God’s plan of justice and equality are realized. When I read how activist Greta Thunberg and our own Minister of the Environment, Catherine McKenna, have continued to receive threats of violence and death because they advocate environmental responsibility, I wonder if the modern tenants of God’s vineyard understand that their own well-being is intimately tied to their responsible use of the vineyard? Even Covid-19 has demonstrated to me how simple attitudes indicate my own lack of committed stewardship of God’s kingdom. Am I any different than the tenants of the parable when I ignore health recommendations to use a mask because I don’t like the way it steams up my glasses, or feel that my desire to gather with friends without taking recommended precautions is more important than the risk of infecting those more vulnerable around me? Any time we act as though we are the only masters of our environment or deem our wants more important than the well-being of others, we are living with the same attitudes of the tenants of today’s parable. We too, ignore God’s plan for the vineyard and abuse the dignity of the people God has sent and entrusted to do his will.

The “Parable of the Landlord and the Tenants,” happens to fall on the final Sunday of this year’s month-long celebration of the “Season of Creation.” This annual time within our liturgical year evolved out of Pope Francis’ 2015 encyclical “*Laudato Si: On the Care for our Common Home*,” and is meant to promote prayer and action to protect our shared earth and humanity. This encyclical, “*called upon not only Catholics all over the world, but the entire global community to recognize how every person is profoundly connected and dependant on one another, as well as on the natural world in which we all live.*” (CCCB 01/06/20)

We are all tenants of God’s marvellous vineyard, and as tenants, we have been entrusted to become responsible stewards of that vineyard and of all who work and live in that vineyard. The well-being of all, depends upon our ability to respect and nourish all that God has gifted us.

All Souls' Day – November 2nd at 7:00 p.m.

Each November, our grouping celebrates All Souls' Day, when we remember and honour our loved ones who passed away during the previous year. After much discussion, and to ensure the safety of all families, the decision has been made that we will not physically come together this year. Each family though, will soon receive a letter, followed by a phone call with more details, to explain how this year, the All Souls celebration will be live-streamed and the video uploaded to YouTube immediately following the memorial. Although the church will have no parishioners physically present, the live-stream will allow all family members to share in this special evening, regardless of distance or 'bubbles' or boundaries. Uploading to YouTube will allow the celebration to be watched at any time in the future. All can be included, regardless of location and schedules.

Season of Creation 2020 - As followers of Christ from around the globe, we share a common role as caretakers of God's creation. We see that our well-being is interwoven with its well-being. We rejoice in this opportunity to care for our common home and the sisters and brothers who share it. This year, the theme for the Season of Creation is "Jubilee for the Earth". We invite you to consider the integral relationship between rest for the Earth and ecological, economic, social and political ways of living. This particular year, the need for just and sustainable systems has been revealed by the far-reaching effects of the global COVID-19 pandemic. We yearn for the moral imagination that accompanies the Jubilee.

Let us pray that the planet's resources will not be plundered, but shared in a just and respectful manner.

Pope Francis

Wedding Anniversary Celebration!

For several years, here at Saint Elizabeth of the Trinity, it has been our custom to recognize milestone wedding anniversaries being celebrated by our parishioners. This would usually include a gathering for prayer in the church followed by an evening of food and entertainment. Unfortunately, as with so many other things, we have to make adjustments to what we would normally do. Having said that, we think it is still important to recognize these significant events in people's lives and to honour them, as they truly are signs of God's presence and love in our midst. So, on Friday, October 16th at 6:30 p.m. we will have a Mass for all those who are celebrating a significant wedding anniversary (i.e. 1st, 5th, 10th, 15th, etc...). **Please call and register** for this Mass and we will be happy to welcome you on the 16th. There may even be some special treats for folks. 😊

Fundraiser!

Thank you to everyone who has already bought tickets!

St. Jude's and Immaculate Heart of Mary Churches

A profound bond links sacred
Scripture and the faith of believers.
- Pope Francis

On **Sunday, October 11th (next Sunday)** we will not be celebrating Eucharist but will have **Sunday Celebration of the Word**, as Fr. Phil will be out of town. Even as we accept that Sunday liturgies celebrated when the Eucharist cannot take place are never the ideal, we must recognize also their positive effects. We acknowledge that they maintain and build up the community as the Body of Christ and that they encourage the development of the co-responsibility of the laity within the Church. We

ask that you call to register as you would for any other Sunday liturgy, as your presence is an integral part of our prayer. Please note that communion will not be distributed.
