As part of the Archdiocese of Moncton, St. Elizabeth of the Trinity parish grouping acknowledges that we carry out our worship and ministry on the traditional *unceded* territory of the Mi'kmaq and Wəlastəkwiyik (Maliseet) Peoples. This territory is covered by the "Treaties of Peace and Friendship" which these nations first signed with the British Crown in 1726. The treaties did not deal with surrender of lands and resources but, in fact, recognized Mi'kmaq and Wəlastəkwiyik title and established the rules for what was to be an ongoing relationship between nations.

Exploring Our Faith

“Not all of us can do great things. But we can do small things with great love.”
(Ste. Mother Teresa of Calcutta)

A few weeks ago, I ran into a student I had taught in Middle School over 40 years ago. He related how he was so grateful for the conversations we had shared, and that he wanted me to know that he had “*taken my advice*,” and had gone into a field of study he has now come to love. I was ashamed to realize that I had only vague memories of the student and had no recollection of any words of advice I may have given him so many years ago. I was also reminded of the responsibility I had had as a teacher, and the potential impact my words may have had for students at such a vulnerable age.

How many times in the course of a day are we confronted with situations in which we have the choice to react in either a kind and forgiving manner, or in a judgemental and belligerent manner or perhaps to turn away with indifference? However, we respond in those moments, the consequences of our words and actions are not always immediately evident but they can have lasting effects on those with whom we’ve interacted. A harsh word of criticism or belittling humour can scar a person’s sense of self for a long time, while a word of compassionate understanding or the forgiveness of someone’s lapse in good judgement, can redirect the offender’s life in new and positive directions. We may never come to know the consequences of our words or actions.

I thought of my former students when I read Mark’s gospel of today that contains two parables. One parable relates how a farmer plants seeds but doesn’t really understand *how* the seed becomes a plant which he can then harvest for food. The second parable tells how a mustard seed, (a very tiny seed), has the potential to grow into a very large shrub that provides shade and protection for many nesting birds. A mustard seed’s potential is often used in Scripture to show how just a little bit of faith can allow someone to accomplish great things with the help of God’s grace. I was lead to understand as a child, that this kind of “faith” referred to the belief in statements the church deemed to be true. I have since come to understand that the “faith”

described by Jesus is more about a basic trust in God’s desire to be a part of our life, in God’s caring love for all of humanity and a belief in the inherent goodness in *all* that God has created. To live our life from a perspective of *this* kind of faith is both powerful and transformative! How different we would live if we believed deep within us that we are known, wanted and loved by God and that everyone else around us is given this same unconditional gift? It would diminish many of our doubts and fears and lead us to live with confident joy and hope. It allows us to transform our own worries into the courage we need to help in the concerns of others. It transforms our need to judge the faults of others into patience and forgiveness of another’s mistakes and weaknesses.

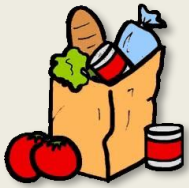

When we allow God to plant the little mustard seed of faith deep in our hearts; a faith that proclaims from within us, “I believe in your goodness, O Lord, and in the goodness of all you have created,” then our ability to react to situations with the heart and mind of God’s love has limitless possibilities. It anchors and emboldens us to become the child that God created us to be and motivates us to show others that they, too, have the same “mustard seed” potential inside them.

Did You Know?

God truly knows the hearts of his human creation and understands our hearts and the efforts made by our hearts and mind. Trust can be formed when one person is honest with another person. When a person is dishonest though, the relationship between people will be damaged. We must be honest in all matters.

Rosary Request

Most people recognize a rosary when they see one, but many may not be aware of what a rosary really is for, and why it is important to Catholics! The word, *rosary*, comes from the Latin, *rosarium*, which means *crown of roses*. It is a bouquet that Catholics give to Mary as they participate in her life with a focus on her son, Jesus Christ. The Rosary is a prayer, more specifically, a meditation, where Catholics get to know the son by loving the mother. Sadly, some parishioners and also people visited in homes and those in prison, do not own a rosary.

Might you have an extra rosary or two at home?

If you do, would like it to find a new home so that it can encourage others in prayer? Parish Office is open Monday to Friday 9:00 a.m. to 4:00 p.m. You can also place the rosary in the church mailbox and we'll pick it up or you can drop it in the collection basket wherever you to Mass! Thank you.

Thank you to everyone who continues to bring in their used eyeglasses, can tabs and used stamps, even throughout these crazy covid months! Parishioners from throughout the grouping are collecting and contributing, and we are so very grateful! As a reminder:

- ♥ **The used eyeglasses** are brought to the Riverview Lions Club, as part of their 'Recycle for Sight' Program. The used glasses are sorted and sent to developing countries.
- ♥ **Tags are collected at Holy Family and IHMC so keep on bringin' 'em in!** They are a clean source of recyclable aluminum that add up to dollars for the Boys and Girls Club Breakfast Program!
- ♥ **We are going to need to pause for a bit with the taking the plastic milk bags.** Due to COVID, the volunteers that weave these milk bags into mats/beds aren't able to meet as they once did. We have many, many bags ready for them for when they can get back together. For now, though, we won't collect any more.
- ♥ **The used postage stamps are sent to Sister Lise Bédard**, who works to sell these stamps to collectors, raising money for missionaries abroad. Another box was just mailed off to her. 😊

Please remember that if you come to the church/parish office for any reason, you must wear a mask and sign in with your contact information. Doors are open!

Celebrating the Year of St. Joseph

Pope Francis has declared this the year of Saint Joseph. One of the many things Saint Joseph is known for is providing for the Holy Family. With this in mind, the Adult Faith Commission is seeking to partner with organizations who are working to feed those less fortunate in our community. We recently met with Alicia Clarkson from the Peter McKee Community Garden and she gave a wonderful presentation on the work they are currently doing and their plans for the future.

When asked what their most pressing needs are she responded with “*seeds and funding*”. Some of the seeds they would be looking for are **Carrots** (Tenderly Imperator, Scarlet Nantes), **Lettuce** (Buttercrunch, Little Gem, Romaine) and **Tomato** (Prudens Purple, San Morzano). Also, gift cards to hardware stores or garden centers are always useful.

As far as funding. They currently have 101 Garden Boxes on the go; of the 101, only 16 are currently being sponsored. You can sponsor a box for \$200 for the year. This will provide seeds, soil and maintenance, updates, a charitable tax receipt, and the good grown in your name will go to the food bank, or a family in need. Also, for the \$200 there will be a sign put up with the information of the sponsor.

If you would like more information about this, please check out their Facebook page or email Alicia at alicia.clarkson@fooddepot.ca
