

## **Procedure for Lakeview Manor**

- Upon arrival, sanitize and change into a medical mask, provided by Lakeview Manor.
- Sign in at the front lobby.
- Wait for Jessica (Activity Coordinator) or Marie (Chaplain) to escort through the building.
- If for any reason the volunteer can't come, please reach out so the Home can plan accordingly.
- If there is a Stat Holiday, neither Jessica nor Marie would be here, so we would not have Communion on those days.
