

# Grass Home (both) Protocol

*It goes without saying, please refrain from going to the Home if you are not feeling well. 😞*

*Also, there is no longer any need to sign out the pyx.*

## **At the church**

Go to the tabernacle to retrieve the number of hosts you will require for the liturgy that morning.

There will be 8 bulletins and a copy of the Prayers of the Faithful for each Home that you can bring with you.

## **At the Home**

Apply hand sanitizer right before you distribute communion; your mask will already be on.

You simply drop the host softly into their hand. Although not to be promoted but if a resident wishes to receive on the tongue, we are now allowed to do that. You must though, sanitize your hands before and after each person.

## **Back at the church**

If you have hosts you are bringing back, please put them back in the Tabernacle.

***Thank you to all for your ministry!***
