The St. Elizabeth of the Trinity parish grouping acknowledges that we carry out our worship and ministry on the traditional *unceded* territory of the Mi'kmaq and Wəlastəkwiyik (Maliseet) Peoples. This territory is covered by the "Treaties of Peace and Friendship" which these nations first signed with the British Crown in 1726. The treaties did not deal with surrender of lands and resources but, in fact, recognized Mi'kmaq and Wəlastəkwiyik title and established the rules for what was to be an ongoing relationship between nations.

## *Following our Faith*

Today is the feast of the Holy Trinity, the feast that marks one of the most unique beliefs of Christian faith, separating Christianity from other world religions. We believe in one God in three persons. We believe in a God who is defined by relationship. 1 John states that "God is love." God is Father, Son and Holy Spirit and the perfect love that unites them in such a way that nothing is done by one person of the Trinity that is not equally shared by the others.

In today's Gospel, Jesus' disciples are instructed to go and baptize "in the name of the father and of the son and of the Holy Spirit." The Catholic Church only recognizes baptisms that use these three names for the persons of the Trinity. Some denominations use the words "Creator, Redeemer and Sustainer" in place of Father, Son and Spirit but the Catholic Church does not consider that to be a valid baptism because Father, Son and Spirit all create, all redeem, and all sustain. Furthermore, when we are baptized, we are not simply acknowledging the gift of our creation and receiving the blessings of redemption and ongoing sanctification, as amazing as those gifts are! When we are baptized, we are welcomed into the relationship that is the Trinity. As the gospel of John 14:20 says:

"on that day you will know that I am in the Father, and you are in me and I am in you.

Today's gospel also includes the statement: "they worshipped but they doubted. When I am struggling with doubt, when I am wondering why God allows people to do some of the horrific things that they do, it is my understanding of the Trinity that helps me maintain my belief and my hope. The Father, Son and Spirit are one because the love between them is perfect. The scriptures make it clear that Jesus had the option to turn away from the Father, but he chose to remain faithful, to maintain the absolute love that he shared with the Father and the Spirit from the beginning. This perfect love did not prevent pain, suffering or evil but it did prevent pain, suffering and evil from having the final word. In our baptism we were welcomed into the relationship of the Trinity. At every point in time, we have the option to turn away, but we also always have the option to open our hearts and dwell in the perfect love that casts out all fear because it knows that love, and not suffering is what will endure.

People often ask me how I can bear all of the sadness of the palliative care unit. The reality is that the palliative care unit is one of the places where a person has a chance to see the amazing power of love and to witness the human capacity to share in the perfect love of the Trinity. When families and friends gather at the bedside of someone who is dying and tell the family stories, the limitations of time and space sometimes seem to fall away and all that remains is love. It is love that binds the Trinity. It is love into which we are baptized. And it is love that is stronger than death. The Feast of the Holy Trinity invites us to once again choose love.

## EXCITING NEW PROJECT!

As I mentioned at the end of Mass two Sundays ago, we will be moving forward with an important project here at Immaculate Heart of Mary Church. It involves the installation of two large video screens with the accompanying projectors, soundboard, and laptop computer. I believe these additions will have far-reaching, positive implications for both the way we celebrate liturgy and beyond. Ever since I became your pastor, 17 years ago, there is hardly a week that goes by where I don't catch myself saying, "I wish we had screens to enhance this, that, or the other thing." For the past two years, on and off, the pastoral council has been discussing the same thing. We weren't always in a position, financially, to do much about our musings. Many of you recall how, 12 or so years ago, we raised over \$900,000 for repairs and renovations to our church building. Your generosity and commitment made that happen. This is a different project than that was. Yet, likewise, it will serve us well into the future. I see three areas where this audio-visual equipment will be valuable.

**For our liturgy and parish community.** Our Catholic liturgy (Mass and all public prayer) is a sung liturgy. Without singing we have a mass; with singing we have the potential for a celebration. With the addition of video screens we can project the lyrics of the hymns in large print where everyone can see them. We can also do away with repurchasing song books (the green C.B.W. III books) at over \$30 each, as well as eliminate the updating of our own parish hymnals. Plus, the church would look tidier. Not only songs but pre-Mass announcements can be reinforced on the screens, which is especially helpful for visual learners and the hard of hearing. Projecting an image can also help with homilies. The goal is

not to turn our liturgies into a sound and light show as that would be just entertainment. The goal is to enhance our experience of prayer.

**For children and youth.** Our annual Vacation Bible School could definitely use the new audio-visual equipment in numerous ways. V.B.S. is very interactive with images, songs, dancing, and lots of energy. Children learn and interact much better when we appeal to all their senses and not just talk at them. Apart from V.B.S. our weekly catechetical program could also benefit greatly from video screens. Our catechists regularly use images and a variety of social media to teach children our faith. Our Confirmation retreats could profit greatly with this new technology. If we want to not only survive—but to grow—we must move with modern ways that people appropriate their faith. What a wonderful tool these video screens could be, especially for our youth.

**For the broader community.** Outside of liturgy and youth ministry, there are a myriad of ways video screens can help the broader community. I am thinking of prayer groups that meet, workshops, retreats, parish missions. I'm thinking of our November 11<sup>th</sup> gathering which is open to the public. We also have an annual celebration on All Souls' Day where we honour those who died during the past year. Wouldn't it be wonderful to have their images projected "larger than life" in our worship space! Or, how about our annual recognition of those celebrating a significant wedding anniversary. Or, the pictures of our newly baptized. There are countless possibilities here.

Video screens are not the "be-all-and-end-all" to what makes a community gel together. However, it is a tool that can help us become more and more a place of hospitality ("I belong here") and spirituality ("I'm growing in my faith here").

This project will cost about \$55, 000. However, through the generosity of the religious order, Les Filles de Jésus, we have the first \$20, 000 paid for. THANK YOU SO MUCH, SISTERS! The rest is for us to take ownership. I am confident that we can raise the rest by various means (direct contributions, fundraising, etc.). Two individuals have already come forward, each with a \$500 contribution.

The parish staff, the pastoral council, and the finance committee all strive to be good stewards of your hard-earned money. I realize how expensive it is to put food on the table, to keep a roof over your head, to gas the car up, and to put clothes on your back. I appreciate every dollar that comes into the church. I hope you can get behind this project as a community. Every individual contribution, big or small, is not only significant but also benefits the entire community. We have a wonderful community here at Immaculate Heart. Let's keep growing together.

*Fr. Phil*

P.S. Apart from fundraising, you can make a direct contribution in an envelope clearly marked "Video screens". Or, you can contact Anne Marcoux, our office manager (506-386-6178) for other arrangements.

## Holy Ghost Church

2 Church Street, Riverside-Albert, NB E4H 3W8

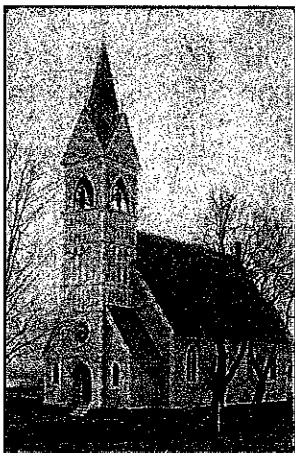

May 2024

Dear Parishioners and friends of Holy Ghost Catholic Church

"My physical body may be less efficient and less beautiful in old age. But God has given me an enormous compensation: my mind is richer; my soul is broader, and my wisdom is all a peak" quote from Robert Muller. We are using this reference as a way of looking at our special church, Holy Ghost. The church building is breaking down, but the spirit and faith of the community keeps this beautiful Church a powerful example of a resource for faith and a place to practice our faith. And like our bodies that need hip replacements, knee surgeries or even a special case to store all our daily meds, Holy Ghost needs some repairs. We need to replace the ROOF as it has aged and can no longer protect the interior that has been a part of our faith community for so many years – 116 years actually.

We have been holding some fundraisers: \$300. Gift card event and monthly 50/50 draws but we need your help. Many of you are busy and would prefer not to bother people by selling tickets on a draw and the days of hosting a turkey dinner are limited due to higher prices and fewer workers. We are seeking your assistance, no matter how much, by remitting a donation to the Church Roof Building Fund. In doing so, you will receive a Tax-refundable receipt (which is most welcome at tax time).

Attendance at Mass has declined due to people moving into Riverview/Moncton and due to involvement with children's activities on Saturdays as well as your own busy life, but you are still valued members at Holy Ghost Catholic Church. You are part of the History of this beautiful small church and if you can help the Building Committee with any donation, it would be greatly appreciated.

Any questions re how to donate, etc please contact:

With sincere thanks from the parish community and Father Phil Mulligan, we in advance thank you for your consideration in a financial assistance to this project.

In the name of God.

**The Most Reverend Guy Desrochers, C.Ss.R.  
Archbishop of Moncton**

Whereas in March 2020 the Archbishop of Moncton, Mgr Vienneau, dispensed with the obligation to Sunday Mass in light of the coronavirus pandemic for the safety of the faithful and the common good.

Whereas public restrictions have now long been lifted for public gatherings, including public worship;

Therefore, in gratitude for the decrease of the danger to public health caused by the coronavirus and for the good of souls, I hereby restore the Sunday obligation for Catholics starting on Saturday, June 1, 2024, Feast of *The Most Holy Body and Blood of Christ*, in accordance with Canon 1245 of the Code of Canon Law.

As has always been the case, anyone with a "serious reason" or "grave cause" is excused from this obligation. Such reasons include:

- anyone who is sick, symptomatic or recently exposed to the coronavirus;
- anyone with serious health risk factors that requires them to avoid public spaces;
- anyone who cares for someone who is sick;
- anyone who cannot attend Mass through no fault of their own because of frailty or old age.

Furthermore, the faithful who wish to receive holy communion on the tongue can now officially renew with this practice that is canonically accepted by the Church of Rome.

As well, all churches of our Archdiocese can now renew with the practice of giving the faithful holy communion to both species, if they wish, remembering that no one is authorized to dip his own host into the Chalice, except the priests and deacons. According to Church laws, all must drink directly from the Chalice to avoid getting drops of the precious blood of Jesus on the ground.

May the trials of the late pandemic lead us to a renewed faith in Christ's real Presence in the Holy Eucharist, a renewal of Sunday as a family day of prayer and rest, and cultivate within our souls a desire that sees our obligation as the greatest privilege of our faith.

Given at Moncton, New Brunswick, on this 20<sup>th</sup> day of May, in the year of our Lord, two thousand and twenty-four.
