*We acknowledge that we carry out our worship on the unceded, ancestral territory of the Indigenous peoples of Atlantic Canada, the Mi'kmaq and the Wəlastəkwiyik (Maliseet). Our relationship and our privilege to live on this territory was agreed upon in the Peace and Friendship Treaties of 1752, and so it is to be acknowledged that we are all Treaty people, having a responsibility to respect this territory.*

#### Make it monthly in May!

Have you considered a pre-authorized donation before? Have you asked yourself why not? Much like your household bills, you can budget your church offering and make it monthly! **Options include** a monthly withdrawal from your bank account (PAD) or a monthly withdrawal from your credit card (Canadahelps). **The benefits?** No more searching for cash or cheques before mass; you can budget the amount and work it into your monthly financial plan; you have made your parish a priority for you and your family! Myth: If I have a PAD, I can't divide my donation into church support and other funds (like building fund, social action). False! You can tell let the office know how you wish your donation to be divided. Myth: If I set up a PAD, it's difficult to change it. False! It is simple and secure to manage – simply let the business office know if you want to increase, decrease or stop your PAD donations. **Reach out to the parish office for more information! Thank you to all parishioners who support our parish!**

### Confirmation 2026

On Sunday, May 10<sup>th</sup>, five young men and women of our St. Elizabeth of the Trinity Parish Grouping, celebrated the Sacrament of Confirmation! They have now completed their initiation into the Roman Catholic Church which began with their Baptism. These young people have spent this year journeying in a special way with their peers and while many people have led them to this point in their faith journey, many more will influence them as they continue on. If we have been successful in preparing them for this sacrament, they now have an understanding of the role that God plays in our lives. They have the courage to live as children God and the wisdom and knowledge to discern the presence of the Holy Spirit. They will use their judgement to make good choices throughout their lives and see wonder and awe in the ordinary. May the grace of this sacrament fill them with reverence, and may they feel the unconditional loving presence of God throughout their lives.

**Congratulations and may God bless you all!**

## IMAGE AND LIKENESS

Where is God?

When I was on retreat at Thomas Merton's hermitage at Gethsemani Abbey in 1985, I had a chance encounter that has stayed with me all these years. I was walking down a little trail when I recognized a recluse, what you might call a hermit's hermit, coming toward me. Not wanting to intrude on his deep silence, I bowed my head and moved to the other side of the path, intending to walk past him. But as we neared each other, he said, "Richard!" That surprised me. He was supposed to be silent. How did he know who I was? "Richard, you get a chance to preach and I don't. Tell the people one thing." Pointing to the sky, he said, "God is not 'out there'!" Then he said, "God bless you," and abruptly continued down the path.

The belief that God is "out there" is the basic dualism that is tearing us all apart. Our view of God as separate and distant has harmed our relationships with sexuality, food, possessions, money, animals, nature, politics, and our own incarnate selves. This loss explains why we live such distraught and divided lives. Jesus came to put it all together for us and in us. He says in effect, "To be human is good! The material and the physical can be trusted and enjoyed. This physical world is the hiding place of God and the revelation place of God!"

For too much of religion has been about defining where God is and where God isn't, picking and choosing who and what has God's image and who and what doesn't. In reality, it's not up to us. We have no choice in the matter. All are beloved. Everyone—Catholic and Protestant, Christian and Muslim, black and white, gay and straight, able-bodied and disabled, male and female, Republican and Democrat—all are children of God. We are all members of the Body of Christ, made in God's image, indwelt by the Holy Spirit, whether or not we are aware of this gift.

Can you see the image of Christ in the *least* of your brothers and sisters? This is Jesus' only description of the final judgment (Matthew 25). But some say, "They smell. They're a nuisance. They're on welfare. They are a drain on our tax money." Can we see Christ in all people, even the so-called "nobodies" who can't or won't play our game of success? When we can see the image of God where we don't want to see the image of God, then we see with eyes not our own.

Jesus says that we have to love and recognize the divine image even in our enemies. *Either we see the divine image in all created things, or we don't see it at all.* Once we see God's image in one place, the circle keeps widening. It doesn't stop with human beings and enemies and the least of our brothers and sisters. It moves to frogs and pansies and weeds. *Everything* becomes enchanted with true site. We cannot *not* live in the presence of God. We are totally surrounded and infused by God. All we can do is allow, trust, and finally rest in it, which is indeed why we are "saved" by faith—faith that this could be true.

(Quoted from Fr. Richard Rohr)

**"The Star flowers of Sainte-Thérèse"** - during the month of May, dedicated to the Blessed Virgin Mary, let us continue to pray for the renewal of our diocesan Church, that it may continue to grow and share the Good News of the Risen Christ more fully with our brothers and sisters. More than 400 diocesan members have already committed to praying daily with the prayer booklet—thank you and let's continue with fervor. If others wish to commit to this daily prayer, please fill out and sign a registration form available at the parish.

Thank you for being a part of our parish grouping!
