Warm Hearts 2026

Warm Beds, Warm Coats, Warm Socks, Warm Heads.

Winter is coming and the Immaculate Heart of Mary Knights of Columbus Council 9270 and the Social Action Committee are working to keep needy kids and the homeless warm. There are three linked projects.

1 Warm Socks, Underwear, Hats & Mitts

On Sunday 25 October, you can show Father Phil how much you appreciate him by throwing socks, underwear (new), hats, and mits at him. Hand warmers are greatly appreciated but you shouldn't throw them. Hats and mits of the appropriate size will be donated along with the coats provided by the Coats for Kids project.

YOUR PARAGRAPH TEXT

Coats for Kids is a major program of the Knights of Columbus. Council 9270 has donated over 1600 coats since 2018. In 2025, 312 coats were donated to Crossroads for Women, Headstart, Youth Quest, YMCA Reconnect, and folks within our parish grouping. We are committed to matching this number in 2026 and are raising money by catering and the generosity of parishioners. For tax purposes, you can donate to the church with "Coats for Kids" on the memo line or outside of envelope. Almost new coats of all sizes can be brought to the church, and we will ensure they go to the proper charity.
